

# Wastage Reporting

## COVID-19 Vaccine Providers

**All COVID-19 vaccine providers are required to report COVID-19 vaccine wastage to the Philadelphia Department of Public Health (PDPH) daily.** Wastage includes any EUA approved dose per vial that is not administered for any reason.

- For Pfizer, wasted doses will be considered anything under **6 doses** drawn per vial.
- For Moderna, wasted doses will be considered anything under **10 doses** drawn per vial.
- For Janssen, wasted doses will be considered anything under **5 doses** drawn per vial.
- Doses above the 10 doses per vial for Moderna, 6 doses per vial for Pfizer, and 5 doses per vial for Janssen **should NOT be administered or reported as wastage.**
- Each wastage reason must be documented using a separate form.

## Report Wastage Within 24 Hours

**All COVID-19 vaccine wastage much be reported within 24 hours.** [Click here to access our wastage form.](https://forms.monday.com/forms/82ccb7436866c7d3e28a8cdce7e61915?r=use1) Or copy this URL into your browser: <https://forms.monday.com/forms/82ccb7436866c7d3e28a8cdce7e61915?r=use1>

## Vaccine Dosage Reminder

PDPH recommends healthcare providers follow the dosing guidance below as outlined from the vaccine manufacturers and the CDC. The CDC will update its guidance if the EUA and ancillary supply kits support additional doses per vial in the future.

	Doses/Vial	Volume	Ancillary Content
Pfizer	6	0.3mL	6 doses/vial
Moderna	10	0.5mL	10 doses/vial
J&J	5	0.5mL	5 doses/vial

*And remember to always follow these rules!*

- 1. Only administer full doses**
- 2. Never try to pool vials to make a full dose**
- 3. Do not refreeze any COVID vaccines**
