

VFC & VFAAR

Enrollment Cheat Sheet

Use this Cheat Sheet to guide you through completing the Vaccines for Children (VFC) or Vaccines for Adults at Risk (VFAAR) enrollment form.

Have any questions about the enrollment process? Contact our Immunization Education Coordinators! You can email them at **DPHProviderHelp@phila.gov**.

Preparation

Step 1

Update your clinic information before you start the enrollment form. Scan these QR codes to access the cheat sheets on making staff changes and updating clinic info.

Make sure that each staff member has all of the required information based on their contact type. All prescribing clinicians (i.e. MD, DO, PA, NP, CRNP) at your site need to be added as a Physician Contact.

VFC & VFAAR Enrollment Cheat Sheet

Complete the Enrollment Form

Step 2

Reach out to the appropriate staff or department to get the patient population for your site. You'll need this information to complete your enrollment form.

VFC providers will need counts for children <1, 1- 6 and 7-18 for each of these categories for the last 12 months:

- American Indian or Alaska Native
- Does not have health insurance
- Is enrolled in Medicaid
- Is underinsured (Federally Qualified Health Centers (FQHCs) only)
- Not VFC eligible (has Private or CHIP health insurance)

VFAAR providers will need counts of uninsured and insured adults in the following age categories for the last 12 months:

- 19 - 26
- 27- 49
- 50 - 64
- 65 and older

Have questions about how to get this information?
Email us at DPHProviderHelp@Phila.gov.

Step 3

To open the enrollment form, click on **Clinic Tools** then **Enrollments** on the left hand side menu. On the screen that opens, click on **Add Enrollment** on the right hand side and select either VFC or VFAAR.

Sites that are both VFC and VFAAR will need to submit enrollments for both programs.

TIP + and -

Click on the "+" symbol to expand the enrollment form sections. Once finished with a section, you can close the section by clicking on the "-" symbol. During enrollment, you will need to expand each section and verify the information within.

VFC & VFAAR

Enrollment Cheat Sheet

Step 5

VFC providers only. (VFAAR providers can move to Step 6): In section 2 you'll need to indicate the vaccines you offer.

Select '**All ACIP Recommended Vaccines for children 0 through 18 years of age**' if you see pediatric patients of all ages.

Select '**Offers Select Vaccines**' if you see a specific age group within the general population of children ages 0-18 (e.g., 5 - 18 years olds) or a defined population due to the practice specialty (e.g., OB/GYN; STD clinic; family planning). **Indicate the specific vaccines that you will have on hand for VFC eligible patients.**

The screenshot shows the 'VACCINES FOR CHILDREN (VFC) 2020' form. The left sidebar contains navigation options like Home, Patients, Immunizations, etc. The main content area is titled '2. Required Forms' and includes sections for 'Provider / Clinic Profile', 'Review Facility/Clinic Information', and 'Vaccines Offered'. In the 'Vaccines Offered' section, two radio buttons are visible: 'All ACIP Recommended Vaccines for children 0 through 18 years of age' (which is selected) and 'Offers Select Vaccines'. Below these are two columns of checkboxes for various vaccines: DTaP, Hepatitis B, HPV, Meningococcal Conjugate, Pneumococcal Conjugate, Polio, TD, Varicella, Hepatitis A, Hib, Influenza, MMR, Pneumococcal Polysaccharide, Rotavirus, Tdap, and Other, specify. A 'Close Section' button is located at the bottom right of the vaccine list.

Step 6

Under **Provider/Clinic Populations** provide the patient population counts for the indicated age ranges and eligibility statuses for the last 12 months. Enter "0"s into the fields that you don't have qualifying patients. Indicate the source of the data provided.

Step 7

Confirm that the entered **Prescribing Staff Members** information from clinic tools is correct. Check that all the clinicians' names match what is listed on their license and that their title (i.e. MD, DO, PA, NP, CRNP) and license number is indicated before checking the box to confirm this section.

Step 8

Have your **Medical Director** (Physician Signing Agreement) log into PhilaVax and click on the **Agreement** button to electronically sign the enrollment form. For sites that are both VFC and VFAAR, a separate electronic signature by the medical director is needed.

Only the Medical Director has the permissions needed to sign the form.

Share this guide with your Medical Director. It provides step by step instructions to sign the agreement.

Step 9

Submit the form by clicking on the arrow next to **Save Progress** to send your enrollment form to the Immunization Program for review.

Congratulations! You are done!

We'll contact you if there are any issues with your site's enrollment form. If it says rejected, review the comments from our staff, address any issues and resubmit the form. Once the form is approved, print a copy for your records.
